

Invitation to Workshop on National Roadmap for Sustainable Reduction of Greenhouse Gas (GHG) for Chemicals Industry in Ghana

Dear all,

The AGI Energy Service Centre is excited to invite you to a workshop on the national roadmap for sustainable reduction of GHG emissions in the chemical industry in Ghana.

The objective of this workshop is to discuss the opportunities for the private sector in the newly developed Ghana roadmap on sustainable GHG emissions reduction from the chemical industry.

Target sectors include companies from the **Chemical, Pharmaceutical, Agro-processing, Plastics, and Oil & Gas sectors.**

Date: Tuesday, February 13, 2024

Time: 10 am to 12 pm

Venue: AGI Secretariat, North Ridge, Accra

Limited seats available.

Kindly confirm your participation by calling Enoch on **054 837 1677**.

We look forward to your participation.

Best regards,
